The VHI Women’s Mini Marathon is not about competing or beating anybody’s times. It’s our opportunity to do something fun together for the children and have a fantastic day out. The excitement of the children in the school leading up to it is priceless. As previous years, the PTA will cover the cost of the bus to get us to/from Dublin on the day. And.....as a finale for the day, we’ll enjoy very well deserved platters and drinks afterwards.
