

Swords Educate Together
National School
Roll Number 20145 O

June 2018

Dear Parents/Guardians,

As highlighted at the induction meeting, we are including Junior Infants on our book rental scheme. We have had book rental in the school over the past number of years and it has proven to be extremely cost efficient and successful.

As many of the books purchased in the infant classes are workbooks and cannot be reused after the children write on them, the savings made are minimal. As your child progresses through the school it will become more cost effective. However, we have done our best to supplement all costs to the best of our ability.

Below is a breakdown of charges for our book rental scheme. Please note that any additional copybooks are covered as well as the subject scheme itself. Please pay all book rental money before 31st August to the account listed below.

Please note this is a new account number to last year
