2. Characteristic spirit and general objectives of the school

Educate Together schools are committed to the values laid down in the Educate Together Charter; available here: https://www.educatetogether.ie/sites/default/files/charter_0.pdf

Our schools are learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect. Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. It teaches

students about different belief systems as well as atheism, agnosticism and humanism, without promoting any one worldview over another.

Our equality-based ethos informs all policies and practices in the daily life of the school. In exercising this policy-making and decision-making responsibilities, the school's Manager/Board of Management upholds the characteristic spirit of the school.

Educate Together schools provide for equality of access in line with the Educate Together Charter and offer places to siblings enrolled in the school at the same time in the first instance.
