SETNS Newsletter: 5th May 2023

Lá Spraoi

Thank you to Fiona, Norah and all the 6th Class pupils for hosting another incredible Lá Spraoi for us today. There were lots of fun and excitement throughout the school. The children took part in football and basketball competitions as well as sponge throwing and face/nail painting. Thank you to you, parents/guardians for supporting this event, it is one of the real highlights of our school year.

AWESOME WALLS

Congratulations to Georgia and Leyton who represented SETNS in the Irish School Climbing National Finals, held at Awesome Walls in Finglas last week. Thank you to the parents/guardians who accompanied them also. Both Georgia and Leyton climbed extremely well with Georgia topping out on all walls and Leyton receiving a Gold medal for the Junior/Senior Infant Category. Well done to all involved.

Thank you to Alicia, Beverly, Graeme and Hugh in McCartan's Pharmacy in Millers Glen for sponsoring our Senior Girls GAA team kit. We are so appreciative to be supported by local businesses. Since the day the pharmacy opened, the team in McCartan's say that they have been genuinely overwhelmed by the welcome they received. If anyone is considering switching prescriptions to the pharmacy it really is as easy as calling in and saying hello or giving their secure email address mccartans.millersglen@healthmail.ie to your doctor or current pharmacy.

SCHOOL CLOSURE

As communicated to you last week, the school will be closed on Friday 12th May to facilitate teacher training for the New Primary Language Curriculum and Primary Curriculum Framework. School will resume as normal on Monday 15th May 2023.

Thank you to all who took part and raised an amazing €770.20 for Down Syndrome Ireland on March 21st. We received our Certificate of Appreciation from them last week.

Student Council

Well done to our amazing Student Council who welcomed Student Council representatives from Broombridge ETNS last week. They hosted a working breakfast and discussed topics such as the student's voice in an Educate Together School, roles and responsibilities of the team as well as a visit to our Sensory Garden. On Wednesday, the Student Council visited the Houses of the Oireachtas. Thank you to Teresa and Rosemary for coordinating these great opportunities for the Student Council representatives.
